About BlackRock

Since our founding more than 20 years ago, BlackRock® has held true to the core principles of putting our clients' interests first, and striving to deliver the investment performance clients expect. We believe the combination of our scale, global insight and premier risk management capabilities positions us to deliver consistent long-term investment results with fewer surprises.

BlackRock offers investors a full spectrum of investment solutions – each backed by the standards of excellence that define our firm's culture, including mutual funds, closed-end funds, exchange traded funds, separately managed accounts, money market funds, 529 college savings plans, alternative investments, and variable insurance funds.
