

**Paddy McCrudden,**  
PhD, CFA, Director  
Portfolio Manager, Scientific  
Active Equities

Dr. McCrudden's responsibility is managing scientific Australian equity portfolios across index, active and long/short strategies. His service with the firm dates back to 2001, including his years with Barclays Global Investors (BGI), which merged with BlackRock in 2009. At BGI, he was responsible for portfolio management and trading in the International Strategies Group. Prior to this, he worked in research on active macro strategies in the Global Markets Strategies Group. Before joining BGI, Dr. McCrudden held lecturer and research fellow positions at Macquarie University and at McGill University.

Dr. McCrudden earned a Bachelor's degree in mathematics, with honours, from the University of Sydney in 1995 and a PhD in mathematics from Macquarie University in 1999.
